We proudly support the Kusasa Academy and the work they do improving the educational and human development of disadvantaged children. Please consider adding a donation to your bill.

Please do not give cash to street children in the village. There are support systems in place with Franco, an NGO and other organisations in Franschhoek. These children are usually controlled by adult criminal elements and increase crime and intimidation on our streets.

PLEASE NOTE that certain menu items may contain traces of nut, egg, soya, wheat and other allergens. We are therefore unable to guarantee the absence of the above ingredients in the menu items.
